

WORLD OF SPORT.

Curiously Regarding the Players
Engaged by Will White.

BUCKENBERGER WILL BE HERE

To-day to select grounds for the Club—The Knocks Bowling Team Wins Two Games From the Buckeyes, of Bellaire—The Races at New Orleans and Entries for To-day. Other News in the Sporting and Athletic Field.

WILL White, the manager of the Wheeling Interstate base ball club, will meet Buckenberger here this afternoon and the very important question of grounds will be discussed. As stated in this paper some time ago the Irwin park on the South Side is not being considered on account of its out-of-the-way location, and the three sites on the Island, only will be considered. Of the three the Schenck property on the north end seems to have the call in popular estimation.

There is much undisguised curiosity regarding the players who have agreed on terms with Manager White, and whose names, Buckenberger says, will surprise the Interstate magnates in the other cities. White, himself a veteran ball player, knows a likely player when he sees one, and the confidence of the base ball public in Wheeling is with him. Probably "Buck" and White will give out the names of the players engaged, this afternoon.

HE Knocks won two closely contested games from the Buckeyes, last night at Mozart park. The two Knocks victories allow them to retain undisputed possession of second place in the South Side Bowling League championship race, though closely pursued by the Hustler team. In the first game, Rumbach, of the Buckeyes, led with 163, but his team-mates were unable to stay with him and the Knocks won by a somewhat close score:

Knocks—Knock 145, Kuntz 118, Kohn 130, Scarbrough 142, Schumlbach 144, Blind 135; total 820.

Buckeyes—Rumbach 163, Klotz 123, Smith 124, Satterfield 140, Dorer 122, Motter 121; total 793.

Rumbach continued his good work in the second game, but again the opposition won out by the narrow margin of eighteen pins. The score in detail:

Knocks—Knock 142, Kuntz 128, Kohn 139, Scarbrough 144, Schumlbach 143, Blind 119; total 815.

Buckeyes—Rumbach 180, Klotz 125, Smith 125, Satterfield 117, Dorer 125, Motter 125; total 793.

To Reinstated Pfeiffer.

An earnest effort is to be made by Fred Pfeiffer's friends to secure that player's restoration to good standing in the National League. W. P. Hussey left Chicago yesterday for New York and will do some earnest work in behalf of the ex-Chicago player before returning to Chicago. Mr. Hussey goes armed with a large number of signatures to petitions in Pfeiffer's behalf and will visit President Young, the officials of the New York, Brooklyn, Philadelphia and Washington clubs and perhaps others. Pfeiffer's friends hope so to influence league officials that the edict against the second baseman will be removed at the schedule meeting to be held in New York four weeks hence.

Will Go to Syracuse.

Bob Fitzsimmons, who is playing in St. Louis has cancelled all of his dates for next week and will go back to Syracuse, N. Y., to answer the indictment for killing Con Kildan. He will file a new bond to appear before court and will then resume the road. Bob says that he anticipates no trouble from the indictment, as his lawyers have assured him that the grand jury returned the true bill to satisfy popular clamor, but that it will not be pressed.

Connors Will Fight.

Johnny Connors, of Illinois, champion bantam weight pugilist of the world, has signed articles to fight Louis Brooker, of Cincinnati, before the Olympic Club, Cincinnati, the night of January 29, ten rounds, 100 pounds weight in at ring-side. Connors yesterday telegraphed Richard K. Fox, of the Police Gazette, that he would fight Jack Madden, 163 pounds, twenty-five rounds, for the best purse, under the auspices of the Seaside Club.

Won't Tackle Penny.

The management of the Princeton University Athletic Association has refused to accept Pennsylvania's challenge to a dual meeting on the track and athletic field. Columbia has a prior claim to such a meeting and as Instructor Goldie is strenuously opposed to two annual contests, the management was compelled to reject Pennsylvania's offer.

HIGH WIND IN CHICAGO.

Quite a List of Accidents Reported as a Result of the Day's Storm.

CHICAGO, Jan. 21.—Several people were badly injured to-day by the falling of a portion of the scaffolding of the new Fort Dearborn building at Clark and Monroe streets. The heavy timbers were blown from position and falling fourteen feet buried the men, one of whom, W. W. Burdo, a ticket broker, was thought to be fatally injured. The others more seriously injured were:

A. J. Donaldson, clerk, shoulder crushed.

Frank Woodward, arm crushed.

William Lurci, printer, scalp wounds.

H. G. Fisher, restaurant employe, badly bruised.

A half dozen people were struck by flying timbers, but not dangerously hurt.

During the afternoon the gale seemed to increase in violence, and falling signs and chimneys were numerous. Joseph Hunsal, a teamster, while standing on a load of lumber at No. 740 West Fifteenth street, was caught by a gust of wind and dashed to the ground. His neck was broken and he died instantly.

Leroy T. Steward, ex-president of the Marquette Club, was passing the Hartford building, at Dearborn and Madison streets, when a window in the tenth story was blown in. A large piece of the falling glass struck Steward on the leg, severing an artery. He was taken to the Presbyterian hospital, and will recover.

The top of the heavy chimney on the Methodist church block was blown off this evening and fell upon a crowded street car which was passing. The roof of the car was beat in, but nobody was injured.

Accidents caused by the high wind continued to be reported all day. About 2 o'clock the thirty-foot flagstad on Kinsley's restaurant, opposite the government building, was torn down from its base and hurled to the street, crashing into a window and dangerously injuring Edward Harper, an expressman, who was sitting in his wagon by the curb. He was knocked senseless and it was thought that his skull was fractured.

A little later a heavy plate glass window in the Hartford building at Dearborn and Madison streets was blown in. James Henson, who was standing in front of the window, was struck by a large falling section of the glass and cut almost in two. He died shortly after the accident. Several pedestrians were badly cut by flying glass, one man fainting from loss of blood, while waiting a physician.

MADE A BLUNDER.

Cleveland Police Arrest an Innocent Woman for a Swindler.

CLEVELAND, Ohio, Jan. 21.—Mr. L. R. Adams, accompanied by Assistant United States District Attorney Rosenthal, of Chicago, arrived here to-day to be present to-morrow at the trial of Mrs. Ella L. Adams who, with J. E. Hagar, was arrested and placed in jail last Friday for an alleged attempt to dispose of bogus mining stock. It is now quite evident that the police made a blunder in placing Mrs. Adams under arrest and she will undoubtedly be discharged when her trial takes place. Mrs. Adams, who is a lady of culture and refinement, has already shown that she came in possession of the mining stocks through her son; that she came here to visit a sick friend and was averse to disposing of the shares until her return to Chicago.

Had a Large Correspondence.

CLEVELAND, O., Jan. 21.—Elijah Robinson, one of the proprietors of the Ladies' Monthly Gem, who was arrested on an indictment last week for using the mails to defraud, was again taken into custody to-day on a second indictment. VENO

Compelled to Remain in Wheeling

Hundreds Flock to His Rooms Yet—Special Rates to Working Men—More Extraordinary Cures Performed in Wheeling.

When Veno came to Wheeling the intention was to remain but a few days, but the hundreds of people who heard his interesting and instructive lectures called at the consultation rooms, and receiving immediate relief from the Veno Remedies pressed him to stay in and their friends and neighbors of the remarkable cures effected by the Veno Remedies.

The Veno Remedies have been placed with the popular and efficient druggist, Mr. Charles R. Goetz, and Dr. Bailey, the physician of the Veno Co., will give his best attention, consultation and advice free to every one calling at the office of the Veno Co. at the corner of Eleventh and Main streets, over Lash's jewelry store. Entrance on Eleventh street.

There have been so many requests received at the office to remain until parties from a distance could call that we feel it a duty to listen to their demands. As this will be the only town we shall visit in the state of West Virginia, it is but justice to the residents of the interior cities and towns that they be given opportunity to secure to themselves the benefits of the Veno Remedies. To further interest the workingmen Veno has decided to allow his generous offer of free treatment, consultation and advice (charging only the actual cost of the medicines necessary to effect a cure) to remain in force for the balance of his stay, and it is hoped that all will avail themselves of his great offer.

REBELLION SUPPRESSED.

The Position of Great Britain—Natives Largely in the Majority.

LONDON, Jan. 21.—Mr. Hoffmann, the Hawaiian consul-general in London, has received a despatch from Mr. Damon, the Hawaiian minister of finance, stating that the rebellion in Hawaii has been entirely suppressed and that communication between the different islands is resumed.

Regarding the reports in circulation as to British support being given to the revolutionists, Mr. Hoffmann said there was no question of Great Britain intervening in the affairs of Hawaii.

He adds that the British government will not lift a finger in regard to internal politics of Hawaii, and he expresses the opinion that the failure of Great Britain to recognize the envoys sent by ex-Queen Liliuokalani to this country was probably the reason of the present trouble. The royalists, he added, have been counting upon the support of Great Britain and they now know that they have to rely upon their own efforts.

Mr. Hoffmann said: "I am not surprised at the news of the revolt and I am afraid that it is but the commencement of serious times as the native party outnumber the Republicans about 95 per cent."

Edwards and Shriver, the newspaper correspondents, was postponed until next Friday, owing to the inability of their counsel, Judge Dittenhoefer, of New York, to come to Washington before then. Pleas of not guilty will also be entered in these cases.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
